2. PROBATION OUTCOME & DECISION

Probation Decision:	Passed
Supervisor Remarks:	Malyza has performed well during her 3-month probation, handling blog writing, articles, listing descriptions, and social media content strategy. She's a fast learner, flexible, attitude is great, research skills are strong, and she had zero attendance issues throughout. Areas to continue developing: collaboration and product knowledge. Recommendation: Confirm full-time status, with plans to expand her role to website design.

Note:
This structured scoring ensures transparency, consistency, and clear justification for probation confirmation decisions.
